

AEGIS-

LIBERTY

MUTUAL

CONSTRUCTION

The AEGIS-Liberty Mutual Alliance provides occurrence-based primary and excess coverage for energy-related construction projects.

Combined with AEGIS property capacity in New Jersey and London, we provide complete construction capabilities, including multi-year coverages, OCIPs and wrap-ups.

Primary general liability and workers' compensation coverage:

- General liability coverage with US \$2 million/4 million limit available, including alternative energy facilities.
 - Statutory workers' compensation coverage.
 - Flexible attachment points.
 - Admitted Liberty Mutual paper.
 - Multi-year policy options tailored to each construction project.
 - Energy and construction underwriting expertise.
 - Construction claims and loss control expertise.
-

AEGIS excess coverage:

- US \$25 million limit.
 - Occurrence-based.
 - AEGIS non-admitted paper.
 - Multi-year policy options tailored to each construction project.
 - AEGIS energy underwriting expertise and collaborative claims management.
