

Welcome to AEGIS

Alan Maguire
President and CEO
AEGIS

Living in Interesting Times

- Global financial crisis
- Investment markets are suffering

Living in Interesting Times

- Demand for energy is soaring
- Development of sustainable energy sources continues apace

Living in Interesting Times

- Insurance surplus levels are down but still sufficient
- Natural catastrophes spiked with insured losses of \$52.5 billion in 2008
- Man-made disasters caused a further \$7.8 billion of insured losses
- Already in 2009: Australian wildfires and Windstorm Klaus

What AEGIS Offers

In turbulent times

- AEGIS has weathered the storm of 2008
- Long history of serving the energy sector: continuing commitment
- Work with our clients to find an equitable outcome
- Transparency in all our dealings

What AEGIS Offers

In turbulent times

- Sharing of knowledge of the energy industry and engineering expertise
- Unique approach to claims handling: partnership, fairness and professionalism
- For the mutual, membership retention level remains exceptionally high
